**Newman Catholic Schools  
Education Commission  
Minutes Summary June 7, 2016**

01. Prayer
02. The April 26, 2016 minutes were approved.
03. Cathy Bush (St Matthew) and Phil Menzner (St Michael) are stepping from the Commission. Rick Svennes (St Mark) will chair the commission.
04. The Search Committee has made a recommendation to Bishop Callahan and are waiting for approval and final background checks.
05. Noted is that the current Kindergarten at NCS St. Anne is low, that 4K numbers as expected. A student population 650 is lowest student count NCS desires.
06. Also the conversation regard student population noted was 1/3 of a parish's students at one time and is now close to 21%. Fr. Burkhardt noted that unless one knows the circumstances of who left and other factors, the historic numbers don't seem like they would have real meaning and value.
07. The diocesan Office of Schools is working with the University of Notre Dame and writing curriculum diocesan wide. This is being implemented through committees. Science and math are complete and social studies is next to be reviewed.
08. The playground project at NCS St Mark is in process and the paperwork for the replacement of the roof on the middle/high school is being prepared.
09. Finances are where we would expect them to be at this point in the fiscal year, actually, ahead of what we've been in previous years.
10. The revised diocesan formula for financing school systems calls for core parishes to invest at a maximum of 40 percent of their income.
11. NCS was noted to mention the supporting parishes in all communication, and at least a summary of the NCS Education Commission minutes are to be printed in parish bulletins as part of the conversation regarding communication in the AdvancED review.
12. Fr. Slowiak expressed appreciation to Dr. Klosinski for her years of service and vision, Jay St. Clair for direct financial reporting and money management, and Fr. Marshall who is leaving for his ministry as chaplain.
13. Scheduled meeting dates: September 27, November 29, February 28, April 25, and June 6.

**29th SUNDAY IN ORDINARY TIME**

"Will not God then secure the rights of his chosen ones who call out to him day and night?" The widow in today's parable didn't give up. She kept "bothering" the judge by coming to him and asking for a decision in her favor. Ultimately, her persistence caught his attention and influenced his behavior. Jesus seems to be teaching us today that this quality of faithful persistence is a good one to have. Thus, he advises us to call out to God not once, not twice, but "day and night." This is a fitting image for the idea of continual prayer; it goes on all the time without ceasing.

As this Gospel reading says in the opening line, Jesus wanted to teach his disciples how to "pray always without becoming weary." It's interesting that the method he used for this instruction was to emphasize the reward of such persistent prayer. The parable's conclusion assures us that for those who pray without giving up, God "will see to it that justice is done for them speedily." Perhaps this attractive promise is supposed to keep us from losing hope, from throwing in the towel, from becoming "weary" when our requests don't seem to be getting heard.

Following the example of this determined widow, we need not fear to repeatedly make our requests known to God. In fact, we should make a point of it! If we only offer our prayers of petition halfheartedly, without real conviction, persistence, or sincerity, they are not as powerful as they could be. But when we truly commit to taking these requests before the Lord, day after day (and night after night!) then we are displaying a kind of profound faith in God's ability to act on our behalf. So, full of hope and trust, let's keep "bothering" this truly just Judge!

**Trends/Shifts for Health Care Professionals**

**Saturday, Oct. 29th** . An opportunity for persons in the health care professions to come together for sharing stories. With recent developments in health care, the experiences for personnel are a major shift. Perhaps there is a sense of loss, a sense of being "devalued," and that time constraints, money, bottom lines are having priority over patient care, contact and connection. Through the story sharing it is hoped that healthy choices, self-care, and positive ideas can be celebrated. At this initial gathering, topics and possible future support will be discussed. Facilitated by health care professionals. Cost: \$55

**Celebrating the Jubilee Year of Mercy with Journalists**

The October Papal intention is for journalists. Pope Francis asks us to pray that the "journalists, in carrying out their work, may be motivated by respect for truth and a strong sense of others." We include those who publish our Diocesan magazine in our prayers. We pray for ourselves also, that the power of our words may bring others to see Christ, respect the dignity of those we address and always seek to build bridges rather than walls with others.
