Belief in the Resurrection of the Dead

We are coming to the end of the 2016 liturgical calendar, with only three weeks left. The Church uses these last few weeks to focus in on the end of time; the end of time for us as individuals, on the day we pass from this world into eternity, and also the end of time for all of humanity at our Lord's second coming.

The Gospel and the readings today are really about the reality of the resurrection for every person, about our belief, or lack of belief in the life to come. The First Reading from the Second Book of Maccabees gives us the heroic example of a mother and her seven sons who were able to face horrible deaths for their faith with certitude that God would reward them in the next world for being faithful to Him in this world.

And our Lord insists that there is a personal life after death for every human person. Many unbelievers think that when we die, we simply disappear into non-existence. But our Lord taught firmly the reality of the immortality of the soul, the resurrection of the body, and life everlasting.

The Apostles who were fearful cowards at the crucifixion were shockingly transformed into fearless preachers of Christ and His teachings. What transformed them? Seeing the Risen Jesus transformed them. After His death Jesus once again ate and drank with them. Death no longer held any fear for them. This is what transformed the Apostles from cowards into fearless disciples. They were now willing to face even death, knowing that they would be rewarded in God's Kingdom for their fidelity to Christ and His teachings.

Blaise Pascal was born in France in 1623. A brilliant man: an accomplished mathematician, physicist, and philosopher. He was also a devout Catholic. At age of 19, he constructed the first digital calculating machine; the predecessor of our modern day calculators and computers. At age 23, through his research and experiments in Physics, he demonstrated the existence of the vacuum and the weight of air. At age 26, his research contributed to obtaining the precise measurement of altitudes, which is essential to modern meteorology. At age 30, his work in physics resulted in the publication of what would become Pascal's Law; the foundation for hydrostatics and fluid mechanics and the basis for applications such as the hydraulic press, lift and brakes as well as the syringe.

At age 36, an illness rendered him almost totally incapacitated. He was only able to write one last, short writing, and it was a prayer asking God to make good use of his illness, in which he expressed an ardent desire to become more holy and still more perfect. Amidst the suffering and agony which marked his last 4 years, this great scientist developed an even deeper spiritual life. On the 19th of August, 1662, Blaise Pascal died of cancer at the age of 39.

Before his illness he had written a letter to his sister: death apart from Jesus Christ is hell . . . it is *horrible and detestable*. But death in Jesus Christ, it is *altogether different; it is peaceful, holy, the joy of the faithful*. Everything is *amiable in Jesus Christ, even death*. Let us then no longer look upon death as the unbeliever does, but like Christians, that is, with hope. Let us no longer regard a man as having ceased to live when he dies, but as beginning to live a new life as truth assures us. Let us no longer regard his soul as perished and reduced to nothingness, but as alive and united to God.

This is what our Lord taught the Apostles and was trying to teach the Sadducees in today's Gospel. This Catholic mathematician, inventor, physicist, and philosopher love to explore the wonders of creation, but he loved creation because it was a reflection of His the Creator. And his love of God and his Catholic Faith allowed him to accept his own early death, not with bitterness and anger, but with a living faith. His was a living faith that tells us that those who die in Christ are indeed alive, and will be forever united to God in His Kingdom.

Day with the Saints a great 1st year!

Thanks to all the wonderful volunteers from Holy Name, St. Matthew, St. Michael, Resurrection and St. Florian, many young people learned about the Saints and had a fun time doing it. There was a Saint Walk, along with carnival games for them play. Each child took home many different things to help them continue to learn and grow in their Catholic faith. And of course, since it was Halloween weekend, they got lots and lots of candy.

The support and donations from the parishioners at Holy Name makes all of these events possible. Thank you for your continued support. The group looks forward to bringing this learning opportunity to the children of our area again in

**SOUTHWEST WAUSAU CIRCLE OF JOY FOOD PANTRY
THANKSGIVING FOOD BASKETS**

It's that time again to start planning for our Thanksgiving food to needy families in our service area. Last year we served 26 families, so we are hoping to serve that again. Can you help? We will need, of course, at least 26 turkeys plus all the trimmings. We have freezer space available for the turkeys. If you can help with a turkey donation, please call Dee at (715) 573-4858.

Cash donations are especially needed to purchase items that are not on our shelf, especially when we want to serve 26 families! Checks can be made payable to "Circle of Joy" and can be put in an envelope marked "Circle of Joy" and dropped in any collection basket, or can be mailed to: Circle of Joy, 4404 Rib Mountain Drive, Box 114, Wausau WI 54401.

Annual Thanksgiving Mass Food Drive

As in the past, we are asking our parish members to participate in our Thanksgiving Mass food drive. When you get to church, keep the non-perishable groceries with you in your pew. You will be invited at the Offertory to bring your food up and place it in front of the altar.

There will be no collection that day, so if you wish to make a monetary donation instead, you are invited to bring it up at the same time and put it in the baskets that will be there for that purpose.

If you are not comfortable or able to bring the food up yourself, just raise your hand and someone will carry it up for you. Thank you!

Celebrating the Jubilee Year of Mercy with Prisoners

Pope Francis specified that November's papal Year of Mercy intention
would be for prisoners. Today he will celebrate Mass with prisoners.
Being in jail is only one way of being imprisoned so this week we pray:

- ◆ Sunday -For those who are inmates, especially those who are un-
justly imprisoned or political prisoners.
- ◆ Monday-For the victims of prisoners, that they may be healed of
injuries that they may have suffered and that they may be freed
from hatred by forgiving the perpetrators of crimes.
- ◆ Tuesday-For the spouses, children and parents of inmates that they
may feel cared for and supported by the community during times of
trials and imprisonment of family members.
- ◆ Wednesday-For prison workers that they may be safe from harm
and support the human dignity of all of God's creation even in the
most difficult circumstances as they display empathy to prisoners
so that all may know the mercy of God.
- ◆ Thursday-For those who bear the burden of addiction
that they may feel God's love and mercy through
kindness and support of loved ones and the community.
- ◆ Friday-For those who are victims of human trafficking
that they may be freed and healed of the loss of dignity and
respect they have experienced.
- ◆ Saturday-For students and others who are feel left out of the main-
stream of life, those who are suffering depression and anxiety,
those who are bullied and those who have health issues that impris-
on them that the Year of Mercy may bring peace to their lives.

Religious Education's Annual Food Drive

During the month of November, the Rel Ed program will once again be having a food drive for the Southwest Circle of Joy food pantry. Students are asked to bring non-perishable food items or turkeys for the Thanksgiving Day deliveries and to also help stock the food pantry for the regular donations that are prepared for families throughout the year.

The kids have a class to class challenge to see which grade can bring in the most donations. The winning class always receives a nice reward.

Families of Rel Ed Students - Help your child's class win this contest. Jesus asks us to help others that are in need, this lesson can be reinforced through this food drive.

Donations can be dropped off in the office or classroom on Wed nights. Monetary donations are also needed to help with the purchase of perishable items. *If you wish to donate in this way, make checks payable to: Circle of Joy.*

There are only 3 weeks of Rel Ed classes until Thanksgiving break, so don't delay!

Holy Name Boy Scout Troup 462 Make a Difference!

On Saturday, Oct. 29th, Troop 462 once again helped parishioners with their yard work.

And what a job they did! Thank you to all who helped. What an efficient group—6 lawns in 3 hours. Rachele Johnson, Diana Halverson, Taylor Halverson, Randal Keen, Roger Keen, Kelly Lang, Craig Lang, Rhyan Lang and Michael Pries.

Leaves pile up, and without the assistance of these great young men and women, would still be there in the spring.
