Do We See or Do We Remain Blind In Sin?

The people in our Lord's time believed that disease and other infirmities were a direct punishment from God for sin committed. Catholics have a different view, because while we recognize that original sin introduced sickness and disease into the world, we also know that personal sin is not always the immediate cause of misfortune or illness.

In fact, we read in one of the Psalms: "*How is it O Lord that those who do evil are sleek and strong?*" And we also see Job in the Old Testament, who was a good and upright man, suffering great tragedies. Our Lord too suffered immensely and endured great injustices in spite of the fact that He was without any sin at all.

In the Gospel this weekend Our Lord wants to expand our understanding of His power from the physical life to our spiritual life. Our Lord uses the opportunity of the man born blind, just as He did the woman at the well, when He gently redirected Photina from physical water and ordinary life to spiritual water and supernatural life.

So in today's Gospel He proclaims Himself to be the light of the world, not so much as to give us physical sight, which lasts only in this world, but to give us spiritual sight which lasts for all eternity! Our Lord is telling us that His light gives us the ability to see how to overcome sin and spiritual darkness that can exist in the human heart. In healing the physical blindness of the man born blind, our Lord applies clay on the man's eyes. St. Ambrose tells us that this clay is symbolic of the clay which with God made Adam, the first human person who fell into sin, along with his wife Eve.

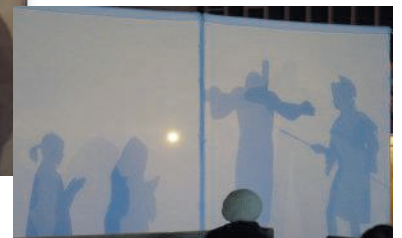

Then Jesus orders the man to wash in the pool of Siloam which symbolizes the Sacrament of Baptism and by extension the Sacrament of Penance whereby a person is cleansed and regenerated. We know by faith that every human person is born blind with the blindness that original sin passes onto us and actual sin which brings darkness into our life. It is Baptism that washes away these sins, along with the Sacrament of Penance that also illuminates and heals sins committed after baptism.

Through Baptism and Confession we can find the strength to remain faithful to our Lord and His teachings. Those who will be saved are those who have the "eyesight" to see their sins and seek out our Lord's forgiveness. These are the people who see with the "light" of faith. Those who will not be saved are those who are satisfied with themselves and think that they do not need Christ or His Kingdom. These are the people who say that they see, but are in fact really blind, living in darkness.

So we ourselves decided our ultimate fate depending on whether or not we are willing to acknowledge our need for God's light to be able to see, or to remain blind stumbling around in the darkness of sin. It is those who recognize that they are blind without the light of Christ and use this light of Christ to recognize their sins and to confess them with humility, contrition and a firm purpose of amendment so as to live in the freedom and the glory of the children of God.

This year in Cycle A of our church readings, we usually hear from St. Matthew's Gospel. Today we read from St. John's Gospel about the healing of the blind man. Jesus knows that sometimes we do not see the reality of the situations we encounter just as the people do in the Gospel today. Jesus invites us to see the world in the eyes of God as He tells us that God sees what is truly in the hearts of His people.

The Wisconsin Catholic Conference hosts Catholics at the Capitol. Hundreds of Catholics from around the state come to Madison for formation and legislative advocacy. This year's speaker will be Colleen Stratton, a survivor of human trafficking.

With SummerFun planning in full swing, please keep us in mind when you come across items that can be used for prizes for Youth Games, sold at the Country Store or donated for general use. Donations may be dropped off at the Parish Center during normal business hours

SOUTHWEST WAUSAU CIRCLE OF JOY FOOD PANTRY

It's time to start planning for our Easter food baskets. We hope to provide at least **15 families** with an Easter meal this year. Do you think you could help? We will need, of course, at least 15 hams. We have freezer space available. If you can help with a ham donation, please call the number below and we'll make arrangements for you to drop it off, or for someone to pick it up.

Cash donations are also needed to purchase items that we might not have on our shelves. Checks should be made payable to "Circle of Joy" and can be put in an envelope marked "Circle of Joy" and dropped in any collection basket at church, or can be mailed directly to: Circle of Joy, 4414 Rib Mountain Drive, Box 114, Wausau WI 54401.

If your family would benefit from an Easter food basket, please contact Dee at 715-573-4858. We will make every effort to help.

As in the past, we are asking anyone attending Mass on Holy Thursday (April 13) to consider bringing a non-perishable food item to Mass for the food pantry. The groceries will NOT be carried up to the altar (as we did at Thanksgiving) – they can be brought to the main entrance of church, or can be left at any exit when you come into church.

These contributions help replenish our shelves after giving out the food baskets for Easter.

The Offertory Collection that day will also benefit the Circle of Joy.

LIVING ROSARY & CROWNING OF MARY

on April 26th from 6:15-7:30pm Religious Education will be presenting a Living Rosary along with the Crowning of Mary.

In presenting the Living Rosary all students, from kindergarten through 10th grade, hold a knot on the rosary rope to say the prayer together. The rosary goes up and down each aisle, throughout the entire church. It is a beautiful celebration.

With May being the month of Mary, we also take the opportunity to emphasize the importance of Mary in our faith by crowning her in a small celebration following the rosary.
